Medical Disclaimer — Please Read Carefully

The information provided on this website and through our communications is for general educational and informational purposes only and is not medical advice. It is not intended to diagnose, treat, cure, or prevent any disease or health condition, and it is not a substitute for professional evaluation, diagnosis, or treatment by a qualified healthcare provider.

- Always seek the advice of your physician, chiropractor, or other qualified healthcare provider with any questions you may have regarding a medical condition or treatment, and before undertaking a new healthcare regimen, exercise program, supplement, or nutritional change.
- **Never disregard professional medical advice or delay seeking it because of something you read on this website or received in a message from us.**
- Individual results vary. Any testimonials, reviews, or descriptions of outcomes reflect individual experiences and are not a guarantee, promise, or prediction of the results any other person will achieve.
- Statements regarding chiropractic care, functional medicine, nutrition, supplements, red light therapy, and related services have not been evaluated by the U.S. Food and Drug

Administration unless expressly stated, and such services and products are not intended to diagnose, treat, cure, or prevent any disease.

- Reading this website, submitting a form, or receiving messages from us **does not create a doctor-patient or provider-patient relationship**. A provider-patient relationship is formed only through an in-person evaluation and the establishment of care at our office.
- **In a medical emergency, call 911 or go to the nearest emergency room immediately. Do not rely on this website or our messaging program for urgent or emergency care.**

Appointments and Services

Appointment requests submitted through our website or by phone are not confirmed until our office contacts you to schedule. Availability, services, pricing, and promotional offers are subject to change without notice. Nothing on this website constitutes a binding offer to provide services on any particular terms.

Text Messaging (SMS) Program Terms

By providing your mobile number and opting in, you agree to receive text messages from Newhouse Health Solutions, which may include appointment reminders, follow-up messages, wellness and health information, and promotional or marketing offers.

- **Program description.** Newhouse Health Solutions sends both transactional messages (such as appointment reminders and follow-ups) and marketing messages (such as promotions, offers, and wellness campaigns) to individuals who have opted in.
- **Opt-in.** You may opt in by providing your mobile number through our website forms, in-office paperwork, or by texting a designated keyword to our number. Consent to receive marketing messages is not a condition of receiving care or purchasing any product or service.
- **Message frequency** varies based on your interactions with us.
- **Cost.** Message and data rates may apply. These charges are set by your mobile carrier and are your responsibility.
- **Opt-out.** You may cancel at any time by replying **STOP** to any message. After you send STOP, we will send a one-time confirmation, and you will no longer receive messages from that program unless you opt back in.
- **Help.** For assistance, reply **HELP**, or contact us at (563) 514-7509 or info@newhousehealthsolutions.com.
- **Carrier disclaimer.** Mobile carriers are not liable for delayed or undelivered messages, and message delivery is not guaranteed.

Your privacy regarding the SMS program is described in our Privacy Policy. We do not sell or share your mobile information with third parties for their marketing purposes.

Assumption of Risk

You acknowledge that any decision to pursue chiropractic care, functional medicine, nutrition, supplementation, red light therapy, or other wellness services involves inherent risks, and that you assume responsibility for evaluating those services with a qualified provider before proceeding. Information accessed through this website does not eliminate the need for individualized professional evaluation.

Disclaimer of Warranties

To the fullest extent permitted by law, our website and its content are provided on an "as is" and "as available" basis without warranties of any kind, whether express or implied, including but not limited to implied warranties of merchantability, fitness for a particular purpose, accuracy, and non-infringement. Nothing in these Terms limits liability that cannot be limited or excluded under applicable law, including liability for professional negligence in the actual provision of care, which is governed by applicable law rather than by these website Terms.
